Assistant Professor
Department of Humanities and Social Sciences
Indian Institute of Technology
Kharagpur, 721 302, West Bengal
INDIA

A C K N O W L E D G E M E N T S

I am grateful to, very much appropriate to address, my second parents Professor M.L.Trivedi and Mrs Trivedi for their affections, constant encouragement ,advice ,supervision and guidance of my academic and non-academic life in Kharagpur. I submit my heartfelt thanks to them. My special thanks go to my Dear Littles Ashu and Shweta for their affectionate and pleasant company.

It is a pleasure to thank Professor M.B.Sharan,our Head of the Department and Professor A.Chatterjee,our previous Head of the Department for their constant encouragement ,timely help and kindness.

I record my thanks to the authorities of the Indian Institute of Technology,Kharagpur,West Bengal for the research facilities and residential accomodation.

(ii)

It is a pleasure to thank Professor.Y.P.Singh,Professor-in-charge of the Computer Centre of the Department of Electrical Engineering,for his kind permission to utilise their computer facilities.

I am thankful to Professor.R. Bhaskaran, Professor-in-charge of the Training and Placement Section for all his timely help and cooperation in carrying out my data collection.

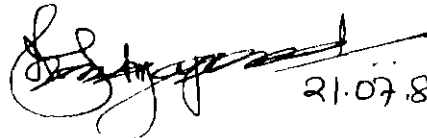

I am grateful to the officials of various companies for their cooperation by providing the requisite data to carry out this work.

It is my pride to acknowledge my parent teachers Professors.A.Rajendran,M.Rajagopalan, W.E.Williams and L.Jayalakshmi.

I am thankful to all my friends,to name only a few : Mr(s).G.Thangarasu,Dr.S.N.Krishnamoorthy thaththa,A.Alphones,S.Sundaravel,K.Baskaran, R.Gunasekaran,Dr.S.Packirisamy,N.Marimuthu,Dr.R.Ragunathan and V.Palanisamy for all their help.

I am grateful to Doctor. A. Sharma of the Homeopathic Department of the B.C.Roy Technology Hospital for having kept me always healthy throughout my stay in Kharagpur.

I extend my thanks to all the office staff of our department especially Raogaru, Sudhir da, Sharma da, Tusu di for help and cooperation.

LIST OF TABLES

<u>TABLE.No.</u>		<u>PAGE</u>
5.1	Classification criteria of firms	60
6.1	Industry composition of sample firms	74
7.1	Creation and management of Economic Leverage variables	86
7.2	Ranking of 'performance variables' according to preferences	87
7.3	Best smoothing order and smoothing constants	91
7.4	Number of firms exhibiting smoothing behaviour	94
7.5	Exponential smoothing orders and the Error Limits	95
7.6	The range of the values of the smoothing constants with 1% and 10% Error Limits	97
7.7	Range of smoothing constants	99
7.8	Number of 'performance variables' smoothed	99
7.9	Estimation of the amount of Economic Leverage	101
7.10	Estimation of Economic Leverage	103
7.11	Average and standard deviation of the amount of Economic Leverage	103
7.12	Standard deviation of 'performance variables, y_s , and net operating costs, EL_2	105
7.13	$EL = f (XX_j)$	107
7.14	R^2 of $EL = f (XX_j)$	109

<u>TABLE.No.</u>		<u>PAGE</u>
7.15	Size of the firm and Economic Leverage	110
7.16	Correlation of some variables with Economic Leverage	112
7.17	Significance levels of the correlation coefficients	114
8.1	Ranking of the objectives of the firm	123
8.2	Management of Economic Leverage variables	126
8.3	Feasibility of the management of Economic Leverage variables	128
