CERTIFICATE

I hereby certify that this thesis entitled "A Critical Analysis of the Functioning of a Small Farmers Development Agency in Maharashtra", submitted in partial fulfilment of the requirements for the award of the degree of Doctor of Philosophy to the Post-Graduate School, Indian Agricultural Research Institute, New Delhi, is a record of bona fide research work carried out by Shri V.G. Salunkhe under my guidance and supervision. No part of the thesis has been submitted for any other degree or diploma. Such help or source of information as has been availed of during the course of investigation, has been duly acknowledged by him.

Dated the 1st February, 1977

(K.N. Singh)
Chairman
Advisory Committee
and
Head of the Division of
Agricultural Extension,
IARI, New Delhi-110012.

ACKNOWLEDGEMENTS

I express my sincere and deep felt sense of gratitude to Dr. K.N. Singh, Head, Division of Agricultural Extension, Indian Agricultural Research Institute, New Delhi, for his learned counsel, untiring attention, valuable guidance and healthy suggestions during the investigation and organization of the dissertation. His sympathy and generosity have been much beyond his formal obligation as the Chairman of my Advisory Committee, for which I am deeply indebted to him.

I am thankful to Dr. S.N. Singh, Senior Agricultural Communication Specialist, Division of Agricultural Extension, Dr. Daroga Singh, Director, Institute of Agricultural Research Statistics, New Delhi, and Dr. C.S. Saraf, Pulse Agronomist, members of my Advisory Committee, for their able and unhesitant guidance.

I owe my sincere thanks to the officials of the Ratnagiri-Satara SFDA project, Chiplun, and to the respondents who have extended their whole hearted co-operation during data collection.

I am extremely thankful to S/Shri D.K. Bahl and Daljit Singh, Senior Programmers, IARI, for the help rendered in analysis of the data on computer. I am also grateful to Dr. B.P. Sinha, Extension Specialist (TV), Division of Agricultural Extension for his timely advice and suggestions in preparation of this dissertation.

I record my thanks to the Indian Council of Agricultural Research for offering me a Senior Fellowship for my Ph.D. programme.

My colleagues who most generously have read, commented on and otherwise helped in the preparation of this report are S/Shri T.R. Rao, R.R. Kulkarni, R.M. Phulzele and many others. To all of them I owe my gratitude.

I record my sincere thanks to Dr. Sudhakar S. Thorat, Head, Department of Agricultural Extension, Mahatma Phule Krishi Vidyapeeth, Rahuri for his keen interest in my Ph.D. programme from the very beginning.

Finally, I am deeply indebted to my parents, brother Shri Madhukar Salunkhe and my wife, Mrs. Vijaya Salunkhe, for their considerable personal sacrifices. I am highly appreciative to them for the constant encouragement given to me and for shouldering the family responsibilities during my study tenure.
