## ACKNOWLEDGMENTS

I express my deep sense of gratitude to my supervisor Prof. L.M.Ehole who not only made valuable suggestions which enriched this thesis but also helped me in many other ways.

I am grateful both to UGC for granting me Teacher Fellowship and to People's Education Society's Dr. Ambedkar College for deputing me to carry out this work. Further, I am thankful to the Director, IIT Bombay who made it possible for me to do my doctoral studies.

I greatly appreciate Dr.Utsa Patnaik, Dr.Thorat and Dr.Krishna Bharadwaj of JNU; Dr. Manjrekar, Bombay University and Dr. B Kamaiah, University of Hyderabad for their helpful comments and suggestions.

I wish to thank Dr.Ramanathan, D.Singh for their periodical evaluation and useful suggestions as panel members.

I thank the authorities of the following libraries for their cooperation : JNU, Bombay University, ICSSR,Delhi; University of Marathwada, Aurangabad, Poona University, Gokhale Institute, Pune, ICEAR, Delhi, IGIDR, Bombay, Mantralaya and Directorate of Economics and Statistics, Govt. of Maharashtra.

I appreciate the support and encouragement given by Shri. Rajharshi, Registrar, Bombay University and Shri Gangurde of NITIE.

I am thankful to Dr.Vijaya Thakur and Rohini for their help in editing and proofreading.

My heartfelt thanks are due to my friends Shripad, Bipin, Ravi, Sudarsan, Patil, Naikwade, Krishnan, Anita, Mr. and Mrs. Padwal, Jayshree and Mishra for their extensive help, academic and personal.

I appreciate the cooperation given by the faculty, staff and students of the department.

I immensely thank my wife Lakshmi without whose constant moral support this work would not have been possible. Finally, I thank my children -- Vinay, Sulochana, Suvarna and Vishwakarma -- who gracefully tolerated my continued absence from them.
