CERTIFICATE

This is to certify that the thesis  
"An Econometric Study of business Demand for Money  
in India: 1950-51 - 1970-71" submitted by  
Shri Rajan Kasturi Sampath in partial fulfilment  
of the degree of Doctor of Philosophy of the Indian  
Institute of Technology, Kanpur, is a record of  
bonafide research work carried out by him under my  
supervision and guidance for the last three years.  
The results embodied in this thesis have not been  
submitted to any other university or Institute for  
the award of any degree or diploma.

Dated December 23, 1974.

(R. Prasad)  
Professor and Head  
Department of Humanities & Social Science

CERTIFICATE

This is to certify that Mr. Rajan Kasturi Sampath has satisfactorily completed all the course requirements for the Ph.D. programme in Economics. The courses include:

H-Eco 731 Advanced Monetary Theory & Macro-Dynamics  
 H-Eco 732 Econometrics  
 H-Eco 737 Developments Economics  
 H-Eco 733 Theory of Economic Policy  
 H-Eco 734 Growth Theory  
 H-Eco 738 Applied Econometrics  
 H-Eco 739 Price Theory  
 H-Soc 720 Research Methods  
 HSS 500 Research

Mr. Rajan Kasturi Sampath was admitted to the candidacy of the Ph.D. degree in August 1973 after he successfully completed the written and oral qualifying examinations.

(K. Prasad)  
 Head  
 Department of Humanities  
 & Social Sciences

 Convener  
 Departmental Post-graduate  
 Committee

ACKNOWLEDGEMENTS

I wish to express my deep sense of appreciation and gratitude to Professor Ramta Prasad, Professor & head, Department of Humanities and Social Sciences, Indian Institute of Technology, Kanpur, for his kind guidance and encouragement. I also take the opportunity to thank Professor Potluri Rao of the Department of Economics, University of Washington, Seattle, U.S.A., Professor P.M. Rastogi, Dr. R.R. Barthwal and Mr. S.P. Pal of the Department of Humanities and Social Sciences, Indian Institute of Technology, Kanpur for their constructive suggestions. I am immensely thankful to Mr. A.C. Agarwal who has done an excellent job of typing this thesis manuscript.

R.K. Sampath

## TABLE OF CONTENTS
