

ECONOMIC ASPECTS OF PRODUCTION AND CONSUMPTION
OF SELECTED COARSE GRAINS AND PULSES IN HARYANA

By

SURAJ PAL SINGH

Dissertation submitted to the Haryana Agricultural University
in partial fulfilment of the requirements for the degree of :

DOCTOR OF PHILOSOPHY

in

AGRICULTURAL ECONOMICS

College of Agriculture,

Hissar

1983

DEDICATED
TO MY
PARENTS

CERTIFICATE I

This is to certify that this dissertation entitled "Economic Aspects of Production and Consumption of Selected Coarse Grains and Pulses in Haryana", submitted for the degree of Ph.D., in the subject of Agricultural Economics, of the Haryana Agricultural University, is a bonafide research work carried out by Shri Suraj Pal Singh under my supervision and no part of this dissertation has been submitted for any other degree.

The assistance and help received during the course of investigation have been fully acknowledged.

A. C. Gangwar
20/12/83

(A.C.Gangwar)
Associate Professor and Head,
Department of Agril. Economics,
Haryana Agricultural University,
Hissar

CERTIFICATE II

This is to certify that the dissertation entitled "Economic Aspects of Production and Consumption of Selected Coarse Grains and Pulses in Haryana" submitted by Shri Suraj Pal Singh to the Haryana Agricultural University in partial fulfilment of the requirements for the degree of Ph.D., in the subject of Agricultural Economics, has been approved by the Student's Advisory Committee after an oral examination on the same, in collaboration with an External Examiner.

A. C. Hargrave
Major Advisor *9/4/84*

R. Singh
External Examiner *9/4/84*

A. C. Hargrave
Head of the Department *9/4/84*

S. S. Chahal
Dean, Post-Graduate Studies *9/4/84*

ACKNOWLEDGEMENT

It gives me immense pleasure in expressing my sincere and heartfelt gratitude to Dr.A.C.Gangwar, Associate Professor and Head, Department of Agricultural Economics, Haryana Agricultural University, Hissar, and the Chairman of my Advisory Committee for his valuable guidance, keen interest, constructive suggestions and encouragement during the course of investigation and unfailing courtesy for thoughtful criticism in the preparation of the manuscript.

I am highly indebted to Dr.I.J.Singh, Professor and Head, Department of Agricultural Economics, Haryana Agricultural University, Hissar, for his valuable guidance, warm encouragement and generosity contributed much to the completion of this study, who was the Chairman of my Advisory Committee before his departure to abroad.

I am greatly indebted to Dr.R.N.Pandey, Research Scientist, Department of Agricultural Economics, Dr.U.K.Pandey, Scientist (Evaluation Cell), Directorate of Project-cum-Plan Formulation, Dr.P.D.Puri, Associate Professor, Department of Mathematics and Statistics, Shri R.P.Goswami, Assistant Statistician, Department of Animal Breeding and Dr.(Miss) T.R.Singh, Associate Professor and Head, Department of Home Science Extension, College of Home Science, for going through the manuscript and their valuable suggestions.

I am equally indebted to Dr.D.S.Nandal, Economist (Farm Management), Dr.K.N.Rai, Agricultural Economist, Department of Agricultural Economics, Dr.S.D.Chamola, Deputy

Director of Economics, Directorate of Research, for their kind help during the course of investigation.

I also offer my special thanks to Shri S.D.Batra, Programmer, Department of Mathematics and Statistics, for his personal interest shown in data processing at the Computer Centre.

Collection of information for this study would have been not possible but for the willing cooperation of the selected farmers and officials of various state departments and organisations. I am highly indebted to them.

My postgraduate study might have been incomplete but for the keen interest and constant encouragement of my parents.

Deep appreciation is expressed to my wife 'Bitta' for the encouragement, understanding and patience throughout the study programme.

(SURAJ PAL SINGH)

Hissar
Dec., 20, 1983

TABLE OF CONTENTS

<u>Chapter</u>		<u>Page</u>
I	INTRODUCTION	1 - 5
II	REVIEW OF LITERATURE	6 - 31
	2.1 Demand for Foodgrains12
	2.2 Supply of Foodgrains22
	2.3 Growth Rates in the Production of Coarse Grains and Pulses and Constraints in their Production31
III	METHODOLOGY	32 - 51
	3.1 Sources of Data32
	3.2 Data32
	3.3 Sampling Design33
	3.4 Analytical Procedure35
	3.4.1. Factors Determining the Demand for Selected Coarse Grains and Pulses38
	3.4.1.1. Rate of Growth in Per Capita Consumption39
	3.4.1.1.1. Estimates of Per Capita Income40
	3.4.1.1.2. Rural-Urban Population Growth41
	3.4.1.1.3. Income Elasticities44
	3.4.2. Projected Per Capita Demand45
	3.4.3. Aggregate Demand46
	3.4.4. Projections of Supply46
	3.4.4.1. Justification of the Variable Used48

<u>Chapter</u>	<u>Page</u>
IV RESULTS AND DISCUSSION	52-111
4.1 Growth Rates52
4.1.1 Growth Rates in Area Under Selected Coarse Grains and Pulse Crops52
4.1.2. Growth Rates in Production of Selected Coarse Grains and Pulse Crops56
4.1.3. Growth Rates in Productivity of Selected Coarse Grains and Pulse Crops57
4.2 Trend in Consumption of Important Food Items58
4.2.1. Per Capita Monthly Consumption of Selected Food Items58
4.2.2. Per Capita Monthly Expenditure on Important Food Items62
4.3 Demand for Selected Food Items in Haryana65
4.3.1. Per Capita Demand of Food Items in Base Period66
4.3.2. Projections of Population68
4.3.3. Estimates for State Income and Per Capita Income69
4.3.4. Income Elasticity of Demand71
4.3.5. Projected Per Capita Demand74
4.3.6. Aggregate Demand80
4.3.7. Percentage Change in Consumption Demand for Each Food Items87
4.4 Acreage Response87
4.4.1. Acreage Projections94
4.4.2. Projections of Production of Selected Coarse Grains and Pulses in Haryana96

LIST OF TABLES

<u>Table</u>	<u>Page</u>
3.1 Selected Sample of Households From 32nd Round of N.S.S. (1977-78)	34
3.2 Distribution of Selected Farmers	36
3.3 Alternative Growth Rates Used for Projecting the Human Population in Haryana	43
4.1 Linear and Compound Growth Rates of Area, Production and Yield of Selected Coarse Grains and Pulses in Haryana, 1966-67 to 1980-81	53
4.2 Monthly Per Capita Consumption of Selected Foodgrains in Different National Sample Survey Rounds in Haryana State	59
4.3 Monthly Per Capita Expenditure on Selected Foodgrains in Different National Sample Survey Rounds in Haryana	63
4.4 Per Capita Monthly Consumption of Selected Foodgrains in Haryana in 1977-78	67
4.5 Projected Population for Haryana	70
4.6 Projections of State Income and Per Capita Income at Constant Prices (1977-78)	71
4.7 Income Elasticities of Demand for Different Foodgrains in Rural and Urban Areas	73
4.8 The Projected Per Capita Monthly Demand for Selected Coarse Grains and Pulses in Haryana	76
4.9 Percentage Share of Individual Food Items in Total Foodgrains Consumption in Haryana	79
4.10 Projected Demand for Selected Coarse Grains and Pulses for Human Consumption in Haryana	81
4.11 Projected Demand for Selected Coarse Grains and Pulses for Human Consumption in Haryana (Rural + Urban)	82

Contd.....

<u>Table</u>	<u>Page</u>
4.12 Aggregate Demand (For Human and Non-Human Consumption) of Selected Coarse Grains and Pulses in Haryana State.	84
4.13 Aggregate Demand (For Human and Non-Human Consumption) of Selected Coarse Grains and Pulses in Haryana State Under two Situations (1977-78 through 1989-90).	86
4.14 Percentage Change in Consumption Demand During 1977-78 to 1989-90	87
4.15 Estimated Regression Equations Used for Predicting Crop Acreage	90
4.16 Projections of Area of Selected Coarse Grains and Pulse Crops in Haryana	95
4.17 Projections of Production of Selected Coarse Grains and Pulse Crops in Haryana, Projected for 1980-81 to 1989-90	98
4.18 Demand-Supply Balances	
4.19 Constraints in the Production of Selected Coarse Grains and Pulses in Haryana	105
