## ACKNOWLEDGEMENTS

I am profoundly thankful to Prof (Dr.)John.D.K.Sundarasingh, Director, UGC Research Project and former Professor and Head of the Department of Economics, Madurai-Kamaraj University for his zealous, inspiring and untiring guidance all through the years of my research work. But for his very valuable suggestions and encouragement, this research work would not have been successful.

I am equally thankful to Mr.S.V.Mariharan, Department of Economics, Madurai-Kamaraj University for his continued help in the calculation and computation work relating to this study.

I thank the University Grants Commission for the liberal financial help provided for this research work.

I wish to thank Mr.M.L.Jesudhas, Professor of Economics, Arulanandar College, Karumathur for the painstaking proof reading of the thesis.

I am thankful to Mrs.V.Rajamma for the neat typing of the thesis.

Also I wish to thank the following who have responded enthusiastically and helped me at every stage in providing relevant information pertaining to the thesis:

1. Dr.Abdul Aziz, Professor of Economics, Institute for Social and Economic Change, Bangalore
2. The Director, Tata Institute of Social Sciences, Bombay
3. The Joint Director of Research, Rubber Research Institute of India, Kottayam, Kerala
