

**GROWTH TREND OF AREA, PRODUCTION AND
PRODUCTIVITY OF OILSEED CROPS IN UTTAR PRADESH
AN ECONOMETRIC STUDY**

THESIS

SUBMITTED FOR THE DEGREE OF
DOCTOR OF PHILOSOPHY

IN

AGRICULTURAL ECONOMICS

TO THE

**C. S. AZAD UNIVERSITY OF AGRICULTURE AND TECHNOLOGY
KANPUR-208002**

1983

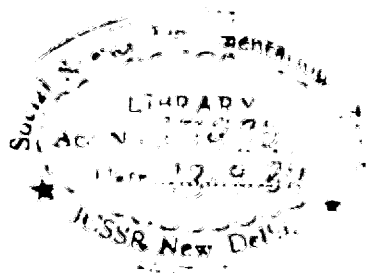

by

DUSHYANT RAI

year of award: -1984

DEPARTMENT OF AGRICULTURAL ECONOMICS AND STATISTICS
**CHANDRA SHEKHAR AZAD UNIVERSITY OF
AGRICULTURE AND TECHNOLOGY
KANPUR-208002**

CERTIFICATE OF AUTHENTICATION

I do hereby declare that the copy of the thesis submitted to the ICSSR is an authenticated copy of my theirs approved for the award of degree of Doctor of Philosophy by the University of Agriculture and Technology, Kanpur

Date: 20.7.1984

Dr. Ram Iqbal Singh,
M.Sc. (Ag.), Ph.D.
Professor & Head

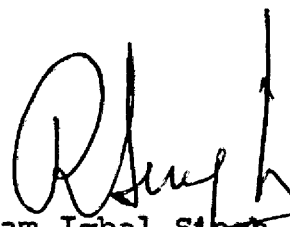

Department of Agricultural
Economics & Statistics,
C.S. Azad University of Agri.
& Technology, Kanpur-2.

Dated July 29, 1983.

C E R T I F I C A T E

Certified that Sri Dushyant Rai , Assistant
Professor (Statistics), Department of Agricultural Economics &
Statistics, C.S. Azad University of Agriculture & Technology,
Kanpur, has worked under my guidance and supervision and
that the accompanying thesis entitled "Growth Trend of Area,
Production and Productivity of Oilseed Crops in Uttar Pradesh-
An Econometric Study", which he is submitting, is his genuine
work.

Sri Chandra has put in the attendance required under
the University's statutes.

(Ram Iqbal Singh)

A_C_K_N_O_W_L_E_D_G_E_M_E_N_T

I find no words to express my deep sense of gratitude and indebtedness to Dr. Ram Iqbal Singh, M.Sc. (Ag.), Ph.D., Professor & Head, Department of Agricultural Economics and Statistics, C.S. Azad University of Agriculture and Technology, Kanpur for his talented, inspiring, valuable and untiring guidance during the course of present study.

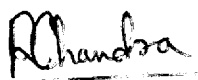

I am extremely indebted to Dr. A.N. Srivastava, Economic Botanist (Oilseeds) for painstaking, constant encouragement and whole-hearted help during the entire period of investigations.

It is my pleasant duty to thank Dr. G.N. Singh, Agricultural Economist and Dr. S.R.S. Chandel, Ex. Associate Professor (Stat.), C.S. Azad University of Agriculture & Technology, Kanpur for holding discussions and giving valuable suggestions in the improvement of the subject matter.

My warmest thanks are also due to Dr. Abdul Muheet, Junior Scientist/Assistant Professor and Dr. S.M. Dinger, Statistical Assistant for their keen interest, valuable suggestions and everwilling help in preparation of the manuscript.

Lastly, I wish to extend my sincere regards to my most respected mother for her blessings for the accomplishment to this work and appreciation to my wife, Minakshi for her constant interest and cooperation during the course of work.

July 29 , 1983.

(DUSHYANT RAI)

LIST OF TABLES

Sl. No.	Table No.	Particular	Page No.
1.	I-1	Acreage under different oilseed crops sown pure and mixed in Uttar Pradesh.	5
2.	IV-1	Name of districts in each agro-economic region in the State.	35
3.	IV-2	Land utilization pattern in different regions of Uttar Pradesh.	38
4.	IV-3	Cropping intensity in different regions of Uttar Pradesh.	42
5.	IV-4	Source-wise irrigated area in different regions of Uttar Pradesh.	44
6.	IV-5	Irrigation intensity in different regions of Uttar Pradesh.	46
7.	IV-6	Irrigated area under different crops expressed as percentage of gross irrigated area.	47
8.	IV-7	Consumption of chemical fertilizers in different regions of Uttar Pradesh.	49
9.	V-1	Growth in acreage under til in different regions of Uttar Pradesh.	53
10.	V-2	Growth in til production in different regions of Uttar Pradesh.	54
11.	V-3	Growth in average-yield of til in different regions of Uttar Pradesh.	55
12.	V-4	Compound growth rates of area under til in different regions of Uttar Pradesh.	57
13.	V-5	Compound growth rates of til production in different regions of Uttar Pradesh.	58
14.	V-6	Compound growth rates of til average-yield in different regions of Uttar Pradesh.	60
15.	V-7	Growth in acreage under groundnut in different regions of the state.	62
16.	V-8	Growth in groundnut production in different regions of Uttar Pradesh.	64
17.	V-9	Growth in average-yield of groundnut in different regions of Uttar Pradesh.	65
18.	V-10	Compound growth rates of area under groundnut in different regions of Uttar Pradesh.	67

Contd.....

19.	V-11	Compound growth rates of groundnut production in different regions of Uttar Pradesh.	69
20.	V-12	Compound growth rates of groundnut average-yield in different regions of Uttar Pradesh.	70
21.	V-13	Growth in acreage of rapeseed-mustard in different regions of Uttar Pradesh.	72
22.	V-14	Growth in production of rapeseed-mustard in different regions of Uttar Pradesh.	73
23.	V-15	Growth in average-yield of rapeseed-mustard in different regions of Uttar Pradesh.	75
24.	V-16	Compound growth rates of area under rapeseed-mustard in different regions of Uttar Pradesh.	76
25.	V-17	Compound growth rates of rapeseed-mustard production in different regions of Uttar Pradesh.	78
26.	V-18	Compound growth rates of rapeseed-mustard average-yield in different regions of Uttar Pradesh.	79
27.	V-19	Growth in acreage under linseed in different regions of Uttar Pradesh.	81
28.	V-20	Growth in linseed production in different regions of Uttar Pradesh.	82
29.	V-21	Growth in linseed average-yield in different regions of Uttar Pradesh.	84
30.	V-22	Compound growth rates of linseed area in different regions of Uttar Pradesh.	85
31.	V-23	Compound growth rates of linseed production in different regions of Uttar Pradesh.	87
32.	V-24	Compound growth rates of linseed average-yield in different regions of Uttar Pradesh.	88
33.	V-25	Growth in acreage under castor in different regions of Uttar Pradesh.	90
34.	V-26	Growth in castor production in different regions of Uttar Pradesh.	91
35.	V-27	Growth in castor average-yield in different regions of Uttar Pradesh.	93

Contd.....

36.	V-28	Compound growth rates of castor area in different regions of Uttar Pradesh.	94
37.	V-29	Compound growth rates of castor production in different regions of Uttar Pradesh.	95
38.	V-30	Compound growth rates of castor's average-yield in different regions of Uttar Pradesh.	97
39.	V-31	Growth in acreage under total oilseeds in different regions of Uttar Pradesh.	98
40.	V-32	Growth in total oilseeds production in different regions of Uttar Pradesh.	100
41.	V-33	Compound growth rates of total oilseeds area in different regions of Uttar Pradesh.	102
42.	V-34	Compound growth rates of total oilseeds production in different regions of Uttar Pradesh.	104
43.	VI-1	Averages of til yield in different regions of Uttar Pradesh.	108
44.	VI-2	Analysis of variance of annual regional yields of til in Uttar Pradesh.	109
45.	VI-3	Averages of groundnut yield in different regions of Uttar Pradesh.	110
46.	VI-4	Analysis of variance of annual regional yields of groundnut in Uttar Pradesh.	111
47.	VI-5	Averages of rapeseed-mustard yield in different regions of Uttar Pradesh.	112
48.	VI-6	Analysis of variance of annual regional yields of rapeseed-mustard in Uttar Pradesh.	113
49.	VI-7	Averages of linseed yield in different regions of Uttar Pradesh.	115
50.	VI-8	Analysis of variance of annual regional yields of linseed in Uttar Pradesh.	116
51.	VI-9	Averages of castor yield in different regions of Uttar Pradesh.	117
52.	VI-10	Analysis of variance of annual regional yields of castor in Uttar Pradesh.	117
53.	VII-1	Relative contributions of area and yield to the growth of til output.	121

Contd.....

54.	VII-2	Relative contributions of area and yield to the growth of groundnut output.	123
55.	VII-3	Relative contributions of area and yield to the growth of rapeseed-mustard output.	124
56.	VII-4	Relative contributions of area and yield to the growth of linseed output.	126
57.	VII-5	Relative contributions of area and yield to the growth of castor output.	128
58.	VIII-1	Percentage irrigated area under different oilseed crops during 1979-80 in Uttar Pradesh.	130
