### ACKNOWLEDGEMENT

I take this opportunity to acknowledge my great indebtedness to Professor. K.R. Singh, my supervisor and guide, whose valuable guidance, constructive comments, constant encouragement and his deep insight in the subject immensely helped me in producing this work.

I am grateful to I.C.S.S.R. for awarding me an Open Doctoral Fellowship, which financially enabled me to complete the work without distractions.

I am thankful to Dr. Z.H. Bari for his comments and constant support which motivated me throughout the work.

I thank my friends Rizwan and Asmer and also Arshad, Ali, Andaleeb and many others who helped me at various stages.

Last but not least I thank Owais, Naved and Riaz for patiently typing the thesis.

I will be alone responsible for all sorts of omissions and errors.
