### ACKNOWLEDGEMENTS

It gives me immense pleasure to express my deep sense of gratitude and feelings of indebtedness to Dr. D.S. Sidhu, Professor and Head, Department of Economics and Sociology for his able and judicious guidance, keen interest and constructive criticism throughout the course of this investigation.

I am highly thankful to Dr. P.L. Sankhayan, Farm Economist for taking the special interest in the problem and his able guidance in the course of the analysis and writing of the manuscript. I am also thankful to Dr Karam Singh, Farm Economist and Dr Ravindra Singh, Associate Professor of Statistics, members of my advisory committee for their critical and constructive suggestions.

I am grateful to Sh. Gurmel Singh Sangha, M.Sc. Student and Dr. Jagtar Singh Sandhu, Assistant Professor, Animal Breeding, who tirelessly read through the proofs.

Finally, I am indebted to my wife, Nirmal for showing the utmost patience during the course of study.
